Createspace, United States, 2013. Paperback. Book Condition: New. 220 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you had success manifesting small things using the law of attraction, but been frustrated with an inability to manifest your more important desires? Do you have important dreams and desires you've held for a long time, which always seem to remain just out of reach? Do you believe you have the power to influence your material reality, yet have been unable to truly create the life of your dreams? If you answered yes to any of those questions, you're a lot like millions of people who understand their immense personal power to influence their lives. Yet, just like the majority of those people, you've also noticed that manifesting your most important desires often seems too difficult or unattainable. The problem isn't you; the problem has been your reliance on old paradigms from old science. Quantum physics, however, has shown us a clear and simple roadmap to not only make you a much more powerful deliberate creator of your material reality, but even allow you to finally manifest those greatly desired outcomes which have eluded you for so long. *How Quantum Physicists Build New Beliefs* is your personal coach in book-form, leading you to an amazing awakening of your higher self while also manifesting your greatest desires. Your natural power to create abundance and achieve your dreams is a birthright you shouldn't spend another moment denying yourself. *How Quantum Physicists Build New Beliefs* will coach you to simply and easily focus and harness your inherent power to create your material reality. Using everyday language and street-level instructions, *How Quantum Physicists Build New Beliefs* will have you manifesting a vast array of personal dreams...
