PISS IN MY FACE AND TELL ME IT S RAINING (PAPERBACK)

Gifted Minds Publishing, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Piss In My Face and Tell Me It s Raining is a book based on love marriage and betrayal. Inside the text, you will find countless stories that women have shared regarding unfaithfulness, and why men cheat. These stories illustrate how a man will create the illusion that he is in tune with a woman, only to make her bend to his will and conform to his desires. This book will reflect his strategies and show how he utilizes his best skills to convince her she is the best thing that ever happened to him. However, in actuality, this is not what s happening. In reality, he is studying her movements, searching for weaknesses. The game is played to learn her desires, to shift her thoughts for his exploits, and ultimately for her destruction. If allowed he will destroy her mind, reputation, and self-esteem. This book entails how the enemy uses men to implement deception. They unknowingly receive their instructions from the enemy. This book will touch down on why many women have break ups just to end up with the same man in a different body. I guarantee you these riveting stories will have you crying, angry, and wondering why these women didn t commit murder. This book is full of encouragement, inspiration and tons of...
