In a changing world influenced by multiple media sources, seventeen-year-old Gabe Anderson watches a YouTube video about crazy, government conspiracies, including The Plan. When the video creator becomes a school shooter and commits suicide, Gabe and his friend, Hanna, begin an investigation. Were the conspiracies true? As Gabe and Hanna innocently search for an answer, the two discover and unleash a subversive agency working toward one ultimate goal: dictatorship within the United States. Becoming targets for elimination, Gabe and Hanna escape and begin a cross-country trek to find the shooter's little sister, who has evidence they need. Gabe and Hanna, joined by Sophi, must use wit, courage, and skill as they search for the leader of the agency to stop them. Danger and death lurk at every turn in this current day adventure.
