Santa Claus is coming to town. . . at least, that was the plan, but now his elves have started going missing, kidnapped by some insidious figure in a black cloak, and despite the magic swirling about the place, the toys aren't going to put themselves together. So begins a terrifying game of cat and mouse as Kris Kringle searches The Land of Christmas for his abducted minions, unaware that he is to play an integral part in his foes' plans. Krampus is pissed at Santa after lending him his snowblower and never getting it back. His punishment: To build a Human Santapede long enough to stretch around The Land of Christmas, and at its helm, the jolly fat man himself. Can Santa - aided by his best foreman, Finklefoot - get his elves back, defeat Krampus, and save Christmas before it is too late, or will Krampus succeed in creating the ghastliest single-file organism the North Pole has ever seen? Ho-Ho-Holy Shit, things are about to get messy. . . This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
