This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. There is an undercover war going on in America that impacts everyone s life far more than the legal issues that typically grab the headlines. The conservative movement has been systematically turning back a century s worth of the evolving gains and protections found in the common law-the areas of law that affect the everyday activities of ordinary people. Throughout the twentieth century, contract, property, and personal injury law evolved to take more account of social conditions and the needs of consumers, workers, and less powerful members of American society. Contracts were interpreted in light of common sense, property ownership was subjected to reasonable-use provisions to protect the environment, and consumers were protected against dangerous products. But all that is changing. Conservatives have a clear agenda to turn back the clock on the common law to maximize the profits of big business. Some significant inroads have already been made to protect gun manufacturers from lawsuits, enforce form contracts that prevent employees from suing for discrimination, and hamper the government s protection of the environment against aggressive development, for example. More rollbacks are on the horizon. Although this aspect of the conservative agenda is not as visible as assaults on abortion rights and civil liberties, it may ultimately have even greater impact on our society. Jay M. Feinman s book is an accessible, eye-opening primer, full of vivid examples and case histories-from victims of medical malpractice who cannot recover damages to people who relinquish their right to sue by applying for a job. If you subscribe to any of these common myths of twenty-first-century America, you...
