

## Yoga on the Moon and Beyond

By Joel Goldman

Dog Ear Publishing, United States, 2009. Paperback. Book Condition: New. 218 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Congratulations! You re holding the world s first off-planet yoga manual! And believe it or not, this book contains over five new schools of yoga that were single-handedly discovered by Joel Goldman while staring at the cosmos one evening. From life aboard the International Space Station today to the forthcoming manned missions to the moon and Mars, mankind is moving out into space and adjusting to different ways of life outside Earth s environment. Goldman explores extraterrestrial travel and shows that not only can yoga help us adjust to it, but that the frontiers of yoga can be pioneered outside the confines of gravity. Whether you re a budding astronaut new to yoga, or a budding yogi new to space, this is the book for you! Anyone curious about both will enjoy this humorous and enthusiastic journey into near-orbit, the near future, and beyond! Joel Goldman s interest in space missions and comedy began early in life. He first studied yoga while traveling in Nepal during college, and his fascination with it drew him back to...

### Reviews

*Thorough manual! Its this kind of excellent study. It really is written in straightforward terms and never difficult to understand. I am very happy to inform you that this is basically the very best pdf we have read through during my individual existence and could be the greatest ebook for possibly.*

-- **Dr. Arno Sauer Sr.**

*Without doubt, this is the very best function by any writer. It typically will not charge too much. I discovered this publication from my dad and i encouraged this pdf to discover.*

-- **Clement Stanton**
