By Vincent Quatroche

Xlibris Corporation, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Bored and cold in 1816, which was known as The Year without a Summer], Percy Mary Shelly were on chilly holiday with their good friend the poet Byron. Remanded to the indoors, huddling around the fire, they challenged each other to write the scariest ghost story to pass the time. Mary Shelly composed based impart upon the Prometheus legend where in the hero steals Zeus s fire from the center of the Sun. Now this is a big deal. The acquisition of fire allowed for the development of weapons and tools. Elevated and separated the human from the animals and maybe just a step closer to the gods. Well naturally Zeus gets pretty pissed. Punishes Prometheus by chaining him to a rock in the Caucasus. Every night he is visited by an eagle that ate his liver. (which of course grew back every day) Meanwhile Mary Shelly s take on all this turned out to be in the form of a strange tale about science run amuck with a mad doctor experimenting with the re-animation of dead bodies invested with life...
