Hannibal s March: Alps and Elephants

By Gavin R. De Beer

Westholme Publishing, U.S., United States, 2011. Paperback. Book Condition: New. Reprint. 188 x 124 mm. Language: English . Brand New Book. One of the mysteries surrounding Hannibal s famous march on Rome during the Second Punic War is the actual route his Carthaginian army took from Spain across the Alps and onto the plains of Italy. Even during Julius Caesar s time it was the subject of much speculation. The march is popularly known for both the elephants that accompanied the expedition and the use of heat and vinegar to break boulders that blocked their way, but it was not until 1955 that Gaving R. De Beer, Director of the British Museum, established what is considered to be the most probable route Hannibal s army took. The author not only scoured ancient accounts, he consulted astronomers, geologists, climatologists, and philologists, and retraced the route himself using classical sources and the information supplied by experts as his guide. The result is a delightful, erudite account, reprinted here for the first time in paperback. A book in which lively writing and scholarly research are happily mated. Moreover, it is convincing. New York Times The most notable quality in this study apart from...

Reviews

The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me).
