Reviews

Extensive information for book fanatics. Better than ever, though i am quite late in start reading this one. I am just delighted to tell you that this is basically the best pdf i actually have go through within my personal daily life and might be he greatest pdf for actually.
(Guillermo Marquardt)

THE TWO TOWERS

Harper Collins, 1999. Soft cover. Condition: New. New. 176 x 110 mm. Language: English Brand New Book. Building on the story begun in The Hobbit and The Fellowship of the Ring this is the second part of Tolkien s epic masterpiece, The Lord of the Rings, featuring a striking black cover based on Tolkien s own design, the definitive text, and a detailed map of Middle-earth. Frodo and the Companions of the Ring have been beset by danger during their quest to prevent the Ruling Ring from falling into the hands of the Dark Lord by destroying it in the Cracks of Doom. They have lost the wizard, Gandalf, in the battle with an evil spirit in the Mines of Moria; and at the Falls of Rauros, Boromir, seduced by the power of the Ring, tried to seize it by force. While Frodo and Sam made their escape the rest of the company were attacked by Orcs. Now they continue their journey alone down the great River Anduin - alone, that is, save for the mysterious creeping figure that follows wherever they go. Attractive, clean, unmarked and collectible!.
