KAREZZA METHOD (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Karezza is controlled non-seminal intercourse. The word Karezza (pronounced Ka-ret-za) is from the Italian and means a caress. Alice B. Stockham, M.D., was the first one who applied it as the distinctive name of the art and method of sexual relations without orgasmal conclusion. As a matter of fact, Karezza is absolutely natural. It employs Nature only and from first to last. To check any act which prudence suggests, or experience has shown, likely to have undesired consequences, is something constantly done throughout all Nature, even among the lowest animals. Karezza is such a check. It is simply prudence and skill in the sexual realm, changing its form and direction of activity in such wise that the desired pleasure may be more fully realized and the undesired results avoided. Nothing more.
