Excerpt: .the ordinance which is suggested above would be to say that its passage was a useless act. Furthermore, the contention that such construction of the ordinance is made imperative by the fact that it prescribes no penalty for its violation is not properly presented by the record as it comes to this court. Although cases may be found which hold that a municipal ordinance which imposes obligations, but provides no penalty for its violation, is void, the trend of modern decisions is toward the rule that the penalty, though usually and more properly fixed by the ordinance itself, may, in certain instances, be supplied or more clearly defined by reference to general or statutory provisions of the law applicable to the subject-matter, and, in any event, there can be no doubt that the penalty may be prescribed in a section of the ordinance other...
