

The Colour of Our Future (Paperback)

By Farai Chideya

HarperCollins Publishers Inc, United States, 2000. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Two years ago, Newsweek named Farai Chideya to its Century Club of a hundred people to watch as we approached the year 2000. Beautiful, savvy, and wired for sound, she s an ideal guide to the new, multiracial America that s emerging as the next generation grows up and begins to shape our society. From coast to coast, from urban hoods to Indian reservations to lily-white small towns, she talks to young men and women about their views on race, painting a vivid portrait of a notion in transition, as America ceases to be defined by the black/white divide and enters a more complex multiethnic era. Most of all, she allows the voices of the next generation -- black, while, Latino, Asian, Native American, and multiracial -- to ring out with truth and clarity. Since the Civil Rights movement, most Americans have thought of race as a black and white issue. That won t be the case for long. By the year 2050, there will...
