Reviews

This kind of pdf is every little thing and made me seeking ahead of time plus more. It generally will not price excessive. You will not truly feel monotony at anytime of the time (that's what catalogues are for concerning should you request me).

HUNGRY CONSTELLATIONS

DOWNLOAD PDF

Mythic Delirium Books. Paperback. Condition: New. 144 pages. Dimensions: 8.5in. x 5.5in. x 0.4in.The mutants of Wonderland threaten to smash through the looking glass as the river of Time overflows its banks. The King of Cats and the Queen of Wolves dance a duet across eons, alternately foes and lovers. Monstrous constellations come to life in the sky, hungry for people-filled worlds. Hungry Constellations, the newest poetry collection from Nebula Award finalist and three-time Rhysling Award winner Mike Allen, surveys two decades of mind-bending verse. Editor Dominik Parisien starts with poems drawn from Allens previous book-length collections, Strange Wisdoms of the Dead (2006) and The Journey to Kailash (2008), then concludes the triptych with a selection of new and previously uncollected pieces, which author, poet and editor Amal El-Mohtar calls Allens most ambitious work to date in her introduction. Cover artist Paula Arwen Friedlander (arwendesigns. net) adroitly illustrations the collections Rhysling Award-nominated title poem. Funded by a Kickstarter campaign, Hungry Constellations is Allens first poetry collection available in digital format. From the introduction by Amal El-Mohtar: Let me tell you about Mike Allens poetry. This is a man who delights in breaking bodies: butchering, splitting, flaying, dismembering, then seeding landscapes with viscera until they too become bodiesbodies invaded, bodies stuffed, bodies contaminated. This is a man who carves words into and out of bodies, be they skin or sapphire, corpses or constellations. But somehow Allen skirts gore and clinical detachment both: there is a precision and an economy to his horror thats reminiscent of clockwork, architecture, astronomy. Imagine a clock with bone-gears, a skin-tree growing liver-fruit, a ship knifing a face into the moon, and youll have something of a sense of what lies before you Subterranean in conception and galactic in execution, this is a book of monsters. Praise...
