

Slavery Ordained of God (Paperback)

By Rev Fred a Ross

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Slavery Ordained of God is a classic religious studies text by Rev. Fred. A. Ross. The book I give to the public, is not made up of isolated articles. It is one harmonious demonstration--that slavery is part of the government ordained in certain conditions of fallen mankind. I present the subject in the form of speeches, actually delivered, and letters written just as published. I adopt this method to make a readable book. I give it to the North and South--to maintain harmony among Christians, and to secure the integrity of the union of this great people. This harmony and union can be preserved only by the view presented in this volume, - i.e. that slavery is of God , and to continue for the good of the slave, the good of the master, the good of the whole American family, until another and better destiny may be unfolded.

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
