

Drugs and Addictions: Some Things You Might Know, a Lot of Things You Might Not (Paperback)

By MR Marios Savva

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As a psychologist, and after years of study, I wanted to create books from the material I have gathered over the years to make available to the public. My books, beginning with my first book - STRESS, We Can Master It- are laid out in a way that everyone can understand. Psychological theories, definitions, analysis can be rather daunting for those who are not involved in this particular field. Knowing this, I tried to simplify, to a point, as best I could this material to make it readable and comprehensible to the everyday person. I am sure whoever would read this book will gain a little something that can help them in some way. You will read in this third book in my series: What are Drugs and what is Addiction? Why People use Drugs Marijuana: The Myth and the Reality. Opiates (Heroin). Amphetamines/ Methamphetamines (Speed) Cocaine Hallucinogens (Ecstasy, LSD). An in Depth Analysis of Addiction Drugs and Personality Disorders I Drugs and Personality Disorders II Withdrawal- An Addict s Worst Nightmare Reading the book you will likely obtain a helpful insight...

Reviews

This ebook is definitely not easy to get going on looking at but quite fun to learn. We have read and so i am sure that i will gonna study once more yet again later on. I am very happy to inform you that here is the finest publication i actually have read inside my personal daily life and might be he best publication for possibly.

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).
