This multibillion dollar metacorporation employs people who can control electromagnetic energy through sheer will - psions. Headquartered in the heart of the fascist Federated States of America, Orgotek works to return the once-great nation to its former democratic and capitalist glory. In America Offline, discover the true agenda of Orgotek, the Electrokinesis Order. Learn how to control electricity - from hacking into a computer network to seizing control of a person's synaptic relays! See the extent of the Federated State's government's iron grip on North America. Discover the rebels who work...

Reviews

The publication is easy in read safer to comprehend. It is actually rally intriguing through studying time. I am easily will get a delight of looking at a created publication.
