Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The following pages narrate a story of detective experience, which, in many respects, is alike peculiar and interesting, and one which evinces in a marked degree the correctness of one of the cardinal principles of my detective system, viz.: That crime can and must be detected by the pure and honest heart obtaining a controlling power over that of the criminal. The history of the old man who, although in the possession of unlimited wealth, leaves the shores of his native land to escape the imagined dangers of assassination, and arrives in America, only to meet his death-violent and mysterious-at the hands of a trusted servant, is in all essential points a recital of actual events. While it is true that in describing the early career of this man, the mind may have roamed through the field of romance, yet the important events which are related of him are based entirely upon information authentically derived. The strange operation of circumstances which brought these two men together, although they had journeyed across the seas-each with no knowledge of the existence of the other-to meet and to participate in the sad drama of crime, is one of those realistic evidences of the inscrutable operations of fate, which are of frequent occurrence in daily life. The system of detection which was adopted in this case, and which was pursued to a successful termination, is not a new one in the annals of criminal detection. From the inception of my career as a detective, I have believed that crime is an element as foreign to the human mind as a poisonous substance is to the body, and that by the commission of...
