

Harvey Potter s Balloon Farm (Hardback)

By Jerrine Nolen

Perfection Learning, United States, 1998. Hardback. Condition: New. Language: English . Brand New Book. Harvey Potter was a very strange fellow indeed. He was a farmer but not like any farmer you ve ever met. He didn t grow corn, okra, or tomatoes. Harvey Potter grew balloons. No one knew exactly how he did it, but with the help of the light of a full moon, one friendly child catches a peek of just how Harvey Potter does it. And keeps some magic for herself. This is the best sort of fantasy #23; imaginative, inventive, and believable. Harvey Potter is a wonder #23; he s the owner of a genuine U.S. Government Inspected Balloon farm. And Nolen s tale about this man, narrated by the African-American girl who learns balloon-farming magic from him, is equally wondrous. This title should sail onto every library shelf. May Nolen grow a bumper crop of books. #23;School Library Journal. Downright glorious. #23;Publishers Weekly (starred review).
