

Audit Planning: A Risk-Based Approach (Hardback)

Filesize: 2.87 MB

Reviews

This publication is definitely not effortless to get started on studying but extremely enjoyable to see. I was able to comprehend almost everything using this created e pdf. I am pleased to let you know that here is the finest publication i have go through in my very own lifestyle and could be he very best pdf for ever.

(Prof. Juliana Langosh DVM)

AUDIT PLANNING: A RISK-BASED APPROACH (HARDBACK)

John Wiley Sons Inc, United States, 2006. Hardback. Condition: New. 1. Auflage. Language: English . Brand New Book. More now than ever before, auditing is in the spotlight; legislators, regulators, and top executives in all types of businesses realize the importance of auditors in the governance and performance equation. Previously routine and formulaic, internal auditing is now high-profile and high-pressure! Being an auditor in today s complex, highly regulated business environment involves more than crunching the numbers and balancing the books-it requires ensuring that appropriate checks and balances are in place to manage risk throughout the organization. Designed to help auditors in any type of business develop the essential understanding, capabilities, and tools needed to prepare credible, defensible audit plans, Audit Planning: A Risk-Based Approach helps auditors plan the audit process so that it makes a dynamic contribution to better governance, robust risk management, and more reliable controls. Invaluable to internal auditors facing new demands in the workplace, this book is also a hands-on reference for external auditors, compliance teams, financial controllers, consultants, executives, small business owners, and others charged with reviewing and validating corporate governance, risk management, and controls. The second book in the new Practical Auditor Series, which helps auditors get down to business, Audit Planning: A Risk-Based Approach gives new auditors principles and methodologies they can apply effectively and helps experienced auditors enhance their skills for success in the rapidly changing business world.
