Balboa Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Meet Denise Wilson, a fairly conventional woman whose successful but uninspiring life is about to be turned upside down. Her partner of fifteen years has decided she s not the right girl for him. He wants options. Simultaneously, the housing bubble bursts and with it goes her six-figure job as an interior designer for a large spec builder. At age fifty she s faced with a blank sheet of life in front of her and not a single idea what to do with it. So she buys a ticket to Maui. Nothing Matters is an entertaining spiritual road trip taken with a good friend. It has all the requisite elements of a good story: quirky characters, serendipitous events and an unexpected ending, all told with a deft sense of humor. Nothing Matters is the literary equivalent of Eat, Love, Pray running smack-dab into The Power of Now. Part travelogue, part transformational journey, Nothing Matters puts the light back in enlightenment.
