

The Fireside Grown-Up Guide to the Mom (Hardback)

By Jason Hazeley

Touchstone Books, 2016. Hardback. Condition: New. Language: English . Brand New Book. The international publishing phenomenon and ridiculously funny new parody series that helps grown-ups learn about the world around them using large clear type, simple and easy-to-grasp words, frequent repetition, and thoughtful matching of text with pictures. Have you been having trouble with the How, Why, and Wheres? Well fear no more. The Fireside Grown-Up Guide series understands that the world is just as confusing to a forty-year-old as it is to a four-year-old. We re here to help and break down the most pressing and complex issues of our day into easy-to-digest pieces of information paired with vivid illustrations even a child could understand. A mom has two very important jobs: to look after her children and to do everything else well. In this Fireside Grown-Up Guide to Mom, we learn about what moms like (making toys out of corks from her many, many wine bottles), what she hates (the sound of her own voice, which now sounds just like her mom s), what she s really thinking about when she leaves her children with a babysitter (whether or not the babysitter can handle these little monsters), and...

Reviews

Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.
