The Power of Place: Urban Landscapes as Public History (Paperback)

By Dolores Hayden

MIT Press Ltd, United States, 1997. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. Based on her extensive experience in the urban communities of Los Angeles, historian and architect Dolores Hayden proposes new perspectives on gender, race, and ethnicity to broaden the practice of public history and public art, enlarge urban preservation, and reorient the writing of urban history to spatial struggles. In the first part of *The Power of Place*, Hayden outlines the elements of a social history of urban space to connect people's lives and livelihoods to the urban landscape as it changes over time. She then explores how communities and professionals can tap the power of historic urban landscapes to nurture public memory. The second part documents a decade of research and practice by *The Power of Place*, a nonprofit organization Hayden founded in downtown Los Angeles. Through public meetings, walking tours, artists' books, and permanent public sculpture, as well as architectural preservation, teams of historians, designers, planners, and artists worked together to understand, preserve, and commemorate urban landscape history as African American, Latina, and Asian American families have experienced it. One project celebrates the urban homestead of Bidley Mason, an African...
