Purnell on the New Covenant (Paperback)

By David H J Gay

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What s in a hyphen? Quite a bit, sometimes! Should it be new-covenant theology or new covenant-theology? Covenant theology was invented in the late 16th century. Christ, fulfilling the old covenant, established the new covenant. And new-covenant theology is nothing other than the theology of the new covenant, the gospel. So those who think that new-covenant theology was invented in the 1980s could not be more wrong. It is actually older than the hills, having originated in God s eternal decree. What is more, in covenant- theology s heyday - the late-puritan era in England - not a few preachers and writers resolutely stood against the tide to set out the glories of the new covenant. One such was Robert Purnell. David Gay, culling a few gems from Purnell s works, has killed three birds with one stone. He has shown that new-covenant theology is not a new kid on the block. He has shown that the so-called antinomians of the 17th century might - just might - have something to teach believers today. Above all, he has reminded us once...
