

Principles of Plane Geometry (Classic Reprint) (Paperback)

By J W MacDonald

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Principles of Plane Geometry The most appropriate preface for a book of this kind would be an exposition of the principles of psychology pertaining to the development and training of the reasoning and linguistic faculties. As such a preface, however, would be more pretentious than the book proper, and as these principles have been so well expounded by many eminent writers, I must content myself by merely urging studious investigation upon all teachers who are ambitious to practise the best methods. If teachers will do this, of one thing I am confident, - they will grant that the purpose of this book is right in theory, even if in practice certain difficulties may seem to them insurmountable.
