

The Last Man: A British Genocide in Tasmania (Hardback)

By Tom Lawson

I.B.Tauris Co. Ltd., United Kingdom, 2014. Hardback. Condition: New. Language: English . Brand New Book. Little more than seventy years after the British settled Van Diemen s Land (later Tasmania) in 1803, the indigenous community had been virtually wiped out. Yet this genocide at the hands of the British is virtually forgotten today. The Last Man is the first book specifically to explore the role of the British government and wider British society in this genocide. It positions the destruction as a consequence of British policy, and ideology in the region. Tom Lawson shows how Britain practised cultural destruction and then came to terms with and evaded its genocidal imperial past. Although the introduction of European diseases undoubtedly contributed to the decline in the indigenous population, Lawson shows that the British government supported what was effectively the ethnic cleansing of Tasmania - particularly in the period of martial law in 1828-1832. By 1835 the vast majority of the surviving indigenous community had been deported to Flinders Island, where the British government took a keen interest in the attempt to transform them into Christians and Englishmen in a campaign of cultural genocide. Lawson also illustrates the ways in which the destruction...
