Createspace, United States, 2014. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Yellowgrass Hill was a busy little town with streets, houses, restaurants, cafes, and little animals that rode in old-fashioned automobiles. This beautiful town rested deep within a magical forest where animals walked, talked, and occasionally squawked. It was a peaceful place that ran down a long dirt road between stores, carrot crops, and yummy candy shops. There you could find a beaver playing a banjo or a weasel having a cup of tea with a rabbit or even a mouse and a cat who were the best of friends. Well, except for that one time. Now sit back and listen to the second tale of what life was like in Yellowgrass Hill.
