Paul Kindzia, Inc., United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. - Have you ever wondered if your wealth levels are progressing at the right speed? - Have you ever felt that you were not progressing as fast as you should in regards to your financial situation? - Have you ever felt stuck at a certain level of wealth and wondered how to breakthrough to a higher level? - Have you ever wondered what common denominators of success exist in other wealth builders? You have a right to think and dream bigger about your financial wealth. Most people never build adequate wealth which leads to daily stress and anxiety. Unfortunately, most people are never taught the fundamental principles of wealth building. Nobody is born with the required information needed for success. The information and knowledge must be accumulated and applied during a lifetime. If you fear the unknown of financial management or wonder if you could improve your financial position, fear not. Contrary to popular belief, wealth building is not a random event, nor is it contingent on blind luck. Wealth building is rooted in core principles that can be learned by anybody, of any race, any gender, any religion, and living in any geographic region. Wealth building isn't about memorizing complex tax rules, mastering Wall Street, or buying financial products. Wealth building is based on timeless and proven principles of success that were applicable a thousand years ago and they will be applicable a thousand years from now. This practical guide highlights the core principles and mindsets of wealth success that when implemented will allow you to create better wealth processes, act with confidence with your finances, and overcome common obstacles that will emerge along your journey. The results will...
