Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It is only if we are narrow minded and try to interfere artificially with What we cannot safely endeavour to arrest, that danger is likely to arise. The age is one of a tendency which has become both obvious and universal. But it is taking effect within the limits of human nature - human nature, which is everywhere in the main the same, and which history has shown to be in the end dominating for good when not interfered with. What we have to do is to cultivate in our selves and in our...
