Tom Slade, bending over the office table, scrutinized the big map of Temple Camp. It was the first time he had really looked at it since his return from France, and it made him homesick to see, even in its cold outlines, the familiar things and scenes which he had so loved as a scout. The hill trail was nothing but a dotted line, but Tom knew it for more than that, for it was along its winding way into the dark recesses of the mountains that he had qualified for the pathfinders badge. Black Lake was just an irregular circle, but in his minds eye he saw there the moonlight glinting up the water, and canoes gliding silently, and heard the merry voices of scouts diving from the springboard at its edge. He liked this map better than maps of billets and trenches, and to him the hill trail was more suggestive of adventure than the Hindenburg Line. He had been very close to the Hindenburg Line and it had meant no more to him than the equator. He...

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
