

In the Next Galaxy (Hardback)

By Ruth Stone

Copper Canyon Press,U.S., United States, 2002. Hardback. Condition: New. Language: English . Brand New Book. Ruth Stone has rightly been called America s Akhmatova, and she is considered Mother Poet to many contemporary writers. In this, her eighth volume, she writes with crackling intelligence, interrogating history from the vantage point of an aging and impoverished woman. Wise, sardonic, crafty, and misleadingly simple, Stone loves heavy themes but loathes heavy poems. Shapes In the longer view it doesn t matter. However, it s that having lived, it matters. So that every death breaks you apart. You find yourself weeping at the door of your own kitchen, overwhelmed by loss. And you find yourself weeping as you pass the homeless person head in hands resigned on a cement step, the wire basket on wheels right there. Like stopped film, or a line of Vallejo, or a sketch of the mechanics of a wing by Leonardo. All pauses in space, a violent compression of meaning in an instant within the meaningless. Even staring into the dim shapes at the farthest edge; accepting that blur. Ruth Stone s work is alternately witty, bawdy, touching, and profound. But never pompous. Her honesty and originality give...

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.
