I am a song that vibrates the I am is how Benjamin Mantilla defines itself. From childhood he was intrigue to know why the world, the sun, the stars. I felt dismay with life and death, which looked with sadness and melancholy, which prevented confront that reality. Through the years achieved the American dream, without possessing anything material, at 18 years begins a life making decisions directing the course of his life. He became a successful person in business, with money, houses, cars, yachts, and economic freedom, to do what his heart desired, In the midst of this economic stability, there was no peace, tranquility, and self worth. He destines all his personal achievements and all the wealth accumulated for inner happiness, always with the certainty and conviction that there was a different way to live life. Experimented a process that took him from total darkness to light, and peace, which describes saying permeated my whole being, I became part of that light, observing an unlimited world full of options to choose what I desire, inspired me to start living that life, receiving guidance intuitively to achieve it! Now is all there is, Creating your own destiny, is my PhD thesis and my life is the graduation of the Mastery. When Now gets to you, rest assured that you attract it, the information in this book will show you that there is no such thing as coincidence, we draw the answers to the questions we ask in life, who am I? Why do I exist? What is the purpose of creation? What is Love, happiness, and suffering, light and darkness, good and evil? The...
