Does it feel as good as it sounds? You bet your ass it does. A Careergasm happens when your work feels good. Really good. Like a groovin' Marvin Gaye song. Like you and your work belong together, and you can't help coming back for more. But how do you get your mojo back when you're in a passionless relationship with your job? In Careergasm, Sarah Vermunt leads the way. This playful, empowering book for wannabe career changers is a rally cry, a shot of courage, and a road map charting the course to meaningful work. Filled with real stories about brave people making great stuff happen, this how-to book will help you step out of your career rut and into action. It is written with love and punctuated with laughter. The snorting kind. And the occasional F-bomb. It's a warm hug and a kick in the ass delivered by a straight-talking spitfire who walks the talk and has hundreds of thousands of people sharing her work online. It's time to feel good again.
