

## Queen Elizabeth Class Battleships (Paperback)

By Les Brown

Pen Sword Books Ltd, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. The ShipCraft series provides in-depth information about building and modifying model kits of famous warship types. Lavishly illustrated, each book takes the modeller through a brief history of the subject class, highlighting differences between sister-ships and changes in their appearance over their careers. This includes paint schemes and camouflage, featuring colour profiles and highly detailed line drawings and scale plans. The modelling section reviews the strengths and weaknesses of available kits, lists commercial accessory sets for super-detailing of the ships, and provides hints on modifying and improving the basic kit. This is followed by an extensive photographic survey of selected high-quality models in a variety of scales, and the book concludes with a section on research references - books, monographs, large-scale plans and relevant websites. This volume covers the five ships of the highly successful Queen Elizabeth class, a design of fast battleship that set the benchmark for the last generation of dreadnoughts. Although they fought with distinction in WW1, all were thought valuable enough to be modernised between the wars - indeed, three were massively reconstructed, providing the modelmaker with a challenging variety of...
