AUTHORHOUSE, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Addicts in Wonderland is a true story about cocaine addiction. It is framed around the classic tale Alice in Wonderland, with one significant difference. The people and events are real; there is no fiction. The story also fits no stereotype about addiction or addicts. The reader will be shaken by the addictive supremacy of cocaine and helped to understand the destructiveness of fear, the addictive personality, the draw of life on the street, modern treatment strategies, why traditional God concepts fail so many and the power behind words and intention. Quantum thought: A term derived from quantum physics where the universe is defined as a field where all parts have a relationship with other parts. This means that we can change a part by redefining our...
