After too many failed relationships, plus issues with intimacy, she isn't interested in acquiring a husband. Instead, she sets out in search of a sperm donor to make her dream come true. Logan Hardt, a laid-back cowboy who shows up at her Atlanta home one day, turns out to have the right genes, as well as a pressing need for cash. He's seduced by more than Jen's generous offer, but the closer the time comes to say goodbye, the less willing he is to honor a contract that would require him to walk away and never look back. Could a contract between them lead to more than a baby? Maybe. Don't miss this special introduction to Texas Hardts, a sizzling new Contemporary Romance series from award-winning author E.E. Burke.
