Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Not long ago a world renowned sage sought to revolutionize the world of education. He brought insight to many of the intractable problems that continue to plague our institutions of learning. From the outset, his ideas were at odds with the prevailing educational values and practices. His books and talks stirred debate. However, after his death in 1986 his work was largely ignored and the full impact of his contribution was left unrealized. This controversial sage was one J. Krishnamurti; an uncompromising, iconoclast whose educational vision awaits rediscovery. With the book; Revolutionary Minds, The Educational Vision of J. Krishnamurti and Its Practice, that wait is over. Revolutionary Minds lays out the core of Krishnamurti's educational approach and offers a path to implementation. Written for teachers, parents and student of education, Revolutionary Minds explores Krishnamurti's central assertion that education is a matter of awakening intelligence and that such an awakening can only come about when the process of inquiry is valued above all else. The book spells out the conditions for nurturing a deeply inquisitive mind, a mind that's capable...

### Reviews

*I just started off looking over this ebook. It is actually loaded with wisdom and knowledge Its been developed in an remarkably simple way in fact it is simply after i finished reading through this book where basically modified me, modify the way i believe.*

-- Josie Koch IV

*An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).*

-- Nannie Lindgren Jr.
