Reviews

This ebook is fantastic. It is probably the most awesome book i actually have read. I found out this ebook from my i and dad suggested this book to understand.

(Ethel Mills)

A COMMONSENSE REVOLUTION (PAPERBACK)

Ezekiel Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The ability for three words to communicate so much has been born out through history and unleashed some of the most powerful revolutions the world has seen. A Common Sense Revolution by Senator Ben Murray-Bruce is also three words with the potential to fundamentally change the future of a country, but with more in common with the type of peaceful revolution created by Thatcher than Robespierre or Lenin. There have been many times when the words a new type of politics have been uttered only to be a fleeting moment of optimism before everything reverts to type. However there is something remarkably fresh and new about how Ben Murray-Bruce has caught the public's imagination in Africa's most populous nation. He is not the common man, to do what he has done is indeed most uncommon, but he has managed to touch a nerve and communicate to the people of Nigeria in a way that has reached out to all irrespective of State or religion. Communication is not just about speeches, oratory prowess or, even in today's world, how well you tweet. It is a two-way street where it is as important to listen as well as to speak. The very title of this book is testimony to that as it emerged from a trending hashtag, #commonsenserevolution that was created by the people of Nigeria in response to Ben Murray-Bruce's ongoing narrative on events based on his simple theme of: I just want to make common sense. Ben Murray-Bruce heard the people and acted. And we can see that in how he addresses each issue where he combines leadership with responsiveness, to create quite a unique and powerful...
