Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

SIMON SCHUSTER, United States, 1998. Paperback. Book Condition: New. Original ed.. 212 x 138 mm. Language: English . Brand New Book. In *Follow the Story*, author and journalist James B. Stewart teaches you the techniques of compelling narrative writing. It is the indispensable guide to writing successful nonfiction books, articles, feature stories, or memoirs. Stewart provides concrete directions for conceiving, reporting, structuring, and writing nonfiction - techniques that he has used in his own successful books and stories. By using examples from his own work, Stewart illustrates systematically a way of thinking about and executing stories, a method that has helped numerous reporters and students become better writers. *Follow the Story* examines in detail: how an idea is conceived; how to sell ideas to editors and publishers; how to report the nonfiction story; six models that can be used for any nonfiction story; how to structure the narrative story; how to write introductions, endings, dialogue, and description; how to introduce and develop characters; how to use literary devices; and pitfalls to avoid. Learn from this book a clear way of looking at the world with the alert curiosity that is the first indispensable step toward good writing.
