Red Scorpion Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Discover Insights about Coping with Life s Most Feared Mystery This book will help anyone who is interested in learning more about death, coping with a loss, approaching death, or explaining death to a child. It is an exploratory journey that includes multiple viewpoints, including Steve Jobs s embrace of his death, Ray Kurzweil s striving for immortality, and Joseph Campbell s view of death as the ornament of life. The book looks at death from the perspectives of atheists, Christians, and Tibetan Buddhists, among many others. Interestingly, it considers the often unexplored aspects such as the curious relationship between death and ayahuasca. It is a guidebook, offering insights and comfort on a topic that many find frightening or macabre. The author grew up with a skeleton in his living room, and surrounded by other symbols of death. His unusual upbringing makes him uniquely qualified to serve as guide. As you join him in discovering more about death, you will find yourself enjoying a fuller life. Highlights of what you will learn. Theories from Great Contemporary Minds Spiritual Insights Scientific Discoveries Personal Reflections Reviews In Loren Mayshark s Death: An Exploration: Learning to Embrace Life s Most Feared Mystery, he writes, experiencing death has dragged me into emotional pits and has also compelled me to deep contemplation. This journey has filled me with wonderment as well as remorse. I found those sentences to be humble ones which transmit the abstract premise of his book into something we can explore in a concrete way. His narrative voice is at the same time both scholarly and personal. It lets the reader join him in trying to figure out what this concept of...
