DIFFERENTIABLE MEASURES AND THE MALLIAVIN CALCULUS (HARDBACK)

American Mathematical Society, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book. This book provides the reader with the principal concepts and results related to differential properties of measures on infinite dimensional spaces. In the finite dimensional case such properties are described in terms of densities of measures with respect to Lebesgue measure. In the infinite dimensional case new phenomena arise. For the first time a detailed account is given of the theory of differentiable measures, initiated...
