Cafe Racer: Steps to Build Your Own Cafe Racer (Cafe Racer, How to Build Cafe Racer, Cafe Racer Guide, How to Design Cafe Racer, How to Make Cafe Racer) (Paperback)

By Sam Anderson

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What building a Cafe Racer Really Means Successfully building a cafe racer-in this case also known as a rat-cafe, since we ll be doing it on the cheap, means creating a bike that is really light, handles extremely well, and on a tight, twisty mountain road, could outperform virtually any vehicle on the planet. With enough piloting skill-and we ll get into that later-you can keep up with an even beat someone on a bike with much better horsepower. These bikes are built for tight roads, and what that means is that you get a big advantage over a guy on some crotch rocket big sports bike. Even with their horsepower advantage, you still win. Here s why: the bike is lighter, and with lighter rims and tires, it can flop over onto its side in a full -battle lean- faster and easier than anything short of the highest-end (and highest-price) regular bikes out there. This doesn t mean you should go out and challenge everyone to a race, however, since the advantage won t be huge. But on a...

Reviews

The publication is straightforward in study safer to recognize. It is written in straightforward words and never hard to understand. It's been printed in an extremely straightforward way and it is just after I finished reading this book through which basically modified me, affect the way I think.

-- Percy Bernhard

Merely no phrases to spell out. I actually have read through and I am certain that I will gonna study once again again later on. You won't truly feel monotony at any time of your time (that's what catalogues are for about should you check with me).
