

Citizenship and Its Discontents: An Indian History

By Niraja Gopal Jayal

Permanent Black, New Delhi, India, 2015. Paperback. Book Condition: New. First Paperback Edition. Breaking new ground in scholarship, this is the first history of citizenship in India. Unlike the mature democracies of the West, India began as a true republic of equals with a complex architecture of citizenship rights that was sensitive to the many hierarchies of Indian society. In this provocative biography of the defining aspiration of modern India, Jayal shows how the progressive civic ideals embodied in the constitution have been challenged by exclusions based on social and economic inequality, and sometimes also, paradoxically, undermined by its own policies of inclusion. Citizenship and Its Discontents explores a century of contestations over citizenship from the colonial period to the present, analysing evolving conceptions of citizenship as legal status, as rights, and as identity. The early optimism that a new India could be fashioned out of an unequal and diverse society led to a formally inclusive legal membership, an impulse to social and economic rights, and group-differentiated citizenship. Today, these policies to create a civic community of equals are losing support in a climate of social intolerance and weak solidarity. Once seen by Western political scientists as an anomaly, India...

Reviews

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.

-- Prof. Llewellyn Thiel

This publication is worth getting. This is certainly for those who statte that there was not a well worth studying. Its been written in an exceptionally simple way in fact it is only after i finished reading through this ebook in which in fact transformed me, modify the way i believe.
