

The Big Full Circle: The Moon s Changed and Lasting Light (Paperback)

By Don G Beeton

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As a boy in probably 1972 while looking at the Moon using a small backyard telescope suddenly by complete lucky chance I saw a fantastic astronomical object cross down through between the Earth and the Moon. The crossing Object eclipses the Moon. When the Moon emerges out from behind the crossing Object it s light has been drastically changed in appearance and behavior by the speeding Object s powerful forces. Shadows are cast from the vertically standing crater rim pieces on the crossing Object s surface into the Moon s Changed and Lasting Light. Incredibly the the primordial human form is created within the Moon s Changed and Lasting Light. Part of the incredibly stunning ancient mystery is why are we humans exact copies of a shape that is light? It turns out that this is exactly what happens and soon the people of the world will see and know this for themselves because the incredible fantastic Object of the Crossing Down is nearing orbiting home to it s special crossing point between the Earth and the Moon. I believe...
