Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In his book, No Healing Medicines, author Rick Lee clearly outlines two systems of healing: the true, natural healing given by the Creator of mankind, and as presented in the Bible, and the false system deeply rooted in spiritualism at its inception and now promoted as the primary way to bring about healing in all modern societies. Pasteur s main theory is known as the Germ Theory of Disease. It claims that fixed species of microbes from an external source invade the body and are the first cause of infectious disease. Bechamp, on the other hand, maintained that airborne forms were not necessary for disease and that an out of balanced inner terrain (body chemistry) is the primary cause...
