Date :2011-04-01 version 1. Sword Soul is a truly systematic, comprehensive and profound works reflecting the history of the Second Artillery Corps. Sword Soul author Li Tingfu missile forces for 26 years, has a profound life experience, take a large number of little-known historical data: the case of building lean and effective strategic missile forces, led by Zhou Enlai, a large number of older revolutionaries Ye Jianying, Nie Luo, Zhang Aiping, under the leadership of Mao Zedong's how winning strategies of a thousand miles, is how to withstand the pressure of foreign interference and the first in the world excluding the deeds; strategic missile forces is how to keep the deployment of the CPC Central Committee, is How to overcome many difficulties to overcome and Premier Zhou implementing a series of instructions on the construction of the missile force; domestic and foreign reactionary forces destroy what trouble is how to be crushed, and so on, all of these little known to the world, reading is refreshing, Valuable is that the author did not just accumulation of material, but after thorough investigation, careful arrangements to put the events of that time in the international and domestic environment to reflect the events of the mountain base linked with the high-level decision-making, so that people clearly see the real course of development of the missile troops, more compelling read deeply. There should also be noted, the authors use a lot of ink to write a defense research and production departments for weapons development and testing of the content, create a number of outstanding scientists of the glorious image, it reflects from one side of the bombs...
