

Loosely Collected: A Book of Poems

By Amanda L Webster

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I ve never really considered myself a poet. My writing efforts are typically focused more on fiction. However, over the years, I have written the occasional poem here and there. I have collected these random poems in notebooks and computer folders for years. Recently, I decided I should round them up and publish them in case someone should decide they are worth reading. I wrote some of these poems when I was a teenager; others while in my twenties. Most of those were free verse. In my thirties, I took a graduate-level course in writing poetry for children and young adults. That s when I began to experiment with forms other than free verse. I call this collection, Loosely Collected, as I am unsure that it really has an overall theme like most poetry collections usually do. These poems range from some that are childlike in nature and suited for a young audience to those that are more suited for an adult audience. I have arranged them so that the most childlike poems come first, with the rest...

Reviews

I actually started off looking over this publication. Indeed, it really is play, nevertheless an amazing and interesting literature. Its been printed in an exceedingly basic way and is particularly just right after i finished reading this ebook by which actually altered me, affect the way i believe.
