Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Want to learn exactly how to put your money to work just like many pros do? Discover The Secrets For Successful Investment That Teach You How to Make The Most Of Your Money All The Time. Even As A Beginner! Just Follow The Instructions And You ll Be Investing Like A Pro In No Time! Are you ready to get started on your journey to learn how to make the most of your money? Yes? Then let s get started! All too often a budding investor will rush right into complicated investment strategies when they do not really know enough about it and the result is they lose money rather than making it. Sadly, when you get your fingers burned like that you often give up and simply spend your money instead of staying with it and learning to avoid losses. The result is that you will not have the satisfaction of seeing your money grow and you may then end up without the financial resources that could give you a comfortable retirement. Another scenario that occurs frequently is depending for advice on a self-proclaimed expert. You know the type. He knows it all and proceeds to let you know everything you are doing wrong. Before you know it you have connected the experience of trying to save or invest your money with the jerk and you end up being unwilling to try it by yourself again. It doesn t have to be like that. You can learn the basics of saving and investing money and take it to whatever destination you desire. You can do it with your own copy of How to Put Your Money to Work. You...
