

Newton s Revised History of Ancient Kingdoms (Hardback)

By Sir Isaac Newton, Pierce Larry

Master Books, United States, 2009. Hardback. Book Condition: New. Revised ed.. 279 x 218 mm. Language: English . Brand New Book. When one thinks of Sir Isaac Newton, one normally thinks of a great scientist and mathematician. His contributions to these areas of human knowledge are enormous. However, one does not normally think of Newton as an historian. Such was the greatness of his intellect, that he found history a pleasant diversion for his idle moments. He drafted a book on the ancient history and the Gentile nations and worked on it periodically for over forty years but never published it. It was published posthumously in 1728, a year after he died. However, his writing style followed that of the times in which he lived making the classic text very difficult to read for modern readers. Master Books is republishing this landmark book in a format and style suitable for today's readers. Contains diagrams of Solomon's Temple Critical analysis of historical sources Re-visits the chronologies of major civilizations The same genius he applies to other disciplines, Newton brings to bear on ancient history. He notes that all the pagan nations had greatly exaggerated their history, creating much needless...
