Maria Ortigoza, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Is there a guy in your life who you know cares about you yet has not committed officially? By officially, I mean calling you formally as his girlfriend and admitting that he is totally in love with you. Are you frustrated with dating and can't seem to meet a quality guy? Do you long to have a good guy in your life who will be more than happy to call you his girlfriend? Has it been a while since you had someone special in your life? Do you long to call someone your boyfriend and in turn be a girlfriend to a quality guy? Did you somehow mess up, lost your man and want another chance to make things right? Is there a guy you really dig who somehow lost interest, not because he does not like you, but because you pushed him away yourself, then regretted it? Did you somehow hurt his ego, his feelings or wanted out yourself due to your own insecurities and fear? Did you want to move too fast with the relationship, gave him an ultimatum and it backfired? .These are some of the questions that this book addresses in a how to manner and hoping to serve as a guide to help you get by if it gets rough a little bit. We all want LOVE. It is a universal need whether or not we admit it. We want someone to care about us. We want someone to accept us for who we are. We want someone to run to when the going gets tough and to be our refuge. We want to be held. We want to be appreciated. We want to be valued. We...
