Her adventurous spirit doesn't fit the sedate expectations of Catholic 1960s New Orleans suburbia. On a whim, she takes flying lessons to become a pilot. Experiencing the freedom of flight is liberating. However, an illicit affair with her pilot instructor forces action. When she confronts her ruthless husband for a divorce, she is cast out sans her children and threatened with her life. Desperate to get them back and gain liberty, she steals her husband's plane. Trials and tribulations erupt as she navigates the turbulence her life has become. In a bizarre twist of fate, she serves as caregiver to her lover's sickly wife as a means to survive; hoping he will decide she is his soul mate. But is that to be Nora must make the most difficult decision of her life in order to get things back on track. This item ships from multiple locations.
